### **Annual Re-Accreditation.**

Dear Accredited Member and Accredited Supervisor,

As and from 1 January 2016, IACP Re-Accreditation will be processed on an annual basis.

At some point in over the course of 2016, you will be contacted via email by a member of the IACP Accreditation Department with detailed instructions on how to renew your IACP accreditation for your therapeutic and supervision work.

Members will be invited to renew their therapeutic accreditation (including Supervisor Accreditation at the same time, if applicable) in one simple application form.

Please visit the IACP website for more details and to view a sample of the new re-accreditation application form.

<http://iacp.ie/renewal-of-accreditation>

The processing fee for the renewal of IACP accreditation will be €20 per year.

Any processing fee that has already been paid in recent years will be credited to future processing fees as appropriate.

**If you are an Accredited Supervisor:**

There is only one form to be completed for both categories of membership (Accredited Member and Accredited Supervisor).

From 2016, your accreditation as an Accredited Member and an Accredited Supervisor will be renewed at the same time.

Your new accreditation date may be on, or after, the date of your current accreditation (according to the month).

The new accreditation date will be calculated by giving you a later date in the year, to ensure you benefit and not lose any months of accreditation.

The processing fee for the renewal of IACP Supervisor accreditation (including therapeutic accreditation) will be €30 per year in total.

Any processing fee that has already been paid in recent years will be credited to future processing fees as appropriate.

If you have any questions about the process, please visit the IACP website or contact our Accreditation Department on 01 230 35 36.
