Counselling Consultant (Full or Part Time) – Human Dynamic

Global Partner for People Effectiveness

HUMAN DYNAMIC is a leading People Management Solution Provider in Asia and beyond, providing services such as:

- Work Life Coaching (WLC)
- Wellness Consulting Services (WCS)
- Learning & Development (L&D)

Headquartered in Hong Kong, and operating for 20 years, we have full- fledged offices in India, China, Taiwan, Korea, India, Thailand, Singapore, Malaysia, Philippine and Slovakia. We are inviting high calibre professionals to apply to join our operation in our office in Dublin, Ireland. We offer an international business environment and challenging professional experience with growth opportunities.

Job Scope

- The role of counselling consultant will cover practical clinical work and office case/ account management responsibilities.
- Under the clinical remit the consultant will cover a hotline, perform face to face counselling and support, will conduct telephone counselling to local and expatriate clients of the company.
- Deliver training and presentations such as wellness and employee engagement orientated workshops.
- The consultant will design said workshops with the team.
- There will be a level of customer service around our client base which includes maintaining strong relationships with customers and responding to customers' requests.
- The consultant will help further establish relationships with stakeholders and affiliates such as therapists, coaches and trainers.
- Provide quality customer service and assist in marketing work.
- Assist the Regional Manager to oversee the strategic business planning and implementation in Ireland, the UK and Western Europe.
- Manage corporate accounts including customer services, reviews of business performance, development of value-added solutions and action plans on a regular basis.
- Deliver Integrated People Management Solution services to clients.
- Flexibility in response to customers' needs is a must in this role.
- Participate in other ad hoc projects.
- May require some travel.

Skills, experience and qualifications

- Master's level desirable (B.A. essential) in Counselling Psychotherapy or Master Degree in Counselling Psychology, Social Work or related disciplines desirable
- Accredited counselling qualification (IACP, BACP, IAHIP)
- Minimum 3 years related experience preferably in counselling, psychology and training field (business focus)
- Knowledge of Employee Assistance Programmes, Learning & Development or HR management is preferred but not essential
- Coaching skills would be preferred but not essential
- Able to multi-task, work as a team member, be organised, detail-minded and self-motivated with ability to work independently
- Committed to working with people in a multinational setting
- Sound proficiency in computer applications (e.g. Word, Excel and PowerPoint)
- Excellent command of written and spoken English
- Proficiency in other European languages will also be considered
- This is a role working within the corporate sector and therefore strong interpersonal skills, personal presentation & professional integrity a must

Please contact we.office@humandynamic.com with a full CV or for more information on the role. Please check out our website for more information www.humandynamic.com
