Outcomers Dundalk new e-book "Towards Anti-Cyberbullying: an eBook for LGBT young people"

Outcomers Dundalk are happy to present you with our new e-book "Towards Anti-Cyberbullying: an eBook for LGBT young people".

This unique support for LGBT young people is result of a two week youth exchange that was organised by Dundalk Outcomers and Accept - Cyprus LGBT, supported by ERASMUS + programme of European Union.

Launching the eBook and website on Friday 5th December 2014 in the Outcomers centre in Dundalk, Mairead McGuinness MEP said that it was "fantastic that young people have delivered it themselves. You are doing a great service to people that you don't know yet who will link into the eBook. I think what we would all wish is that there will come a day when we won't need guides like this... but until that day this guide is absolutely essential."

For more details and to download this eBook, please visit our webpage www.lgbtcb.org

Follow us on facebook.com/lgbtCB and twitter.com/LGBTGB

We hope you find this eBook useful in your future work.
